Office and Financial Policies

Welcome and thank you for choosing Sterling Ridge Orthopaedics and Sports Medicine for your care. We are committed to providing you with the highest quality medical care in an efficient, timely and cost-effective manner. We hope that by providing you with our policies in advance will help prevent any misunderstanding or frustration at the time of your visit.

Department Information: Sterling Ridge Orthopaedics & Sports Medicine Pharmacy, Sterling Ridge DME, Chiropractic, and Sterling Ridge Physical/Occupational Therapy are departments and employees of Sterling Ridge Orthopaedics and Sports Medicine. The information contained in this document applies to each department and medical provider in the Sterling Ridge Orthopaedics and Sports Medicine practice.

No Shows and Late Cancellations: Our office requires 24 hour advance notice if you are unable to keep your scheduled Physician, Chiropractic, or Physical/Occupational Therapy appointment. We value our patients and their needs and when patients do not provide us with advance notice, our office is unable to offer this appointment time to another patient. If you miss a scheduled appointment or fail to cancel your appointment without 24 hour advance notice, your account may be assessed a \$50 fee.

Insurance Requirements: When making an appointment with one of our physicians, it is your responsibility to confirm with your insurance company that the physician is currently under contract with your plan. If your plan requires that you have a referral prior to seeing a specialist, please contact your primary care physician so that you will have the referral in hand at the time of your appointment. If you do not bring your referral with you to your appointment, we will need to reschedule your visit, unless you choose to be seen without using your insurance benefits and pay for your visit in full.

Insurance Claim Filing/Responsibilities: We will gladly file your insurance claim on your behalf. We allow 45 days from the date a claim is filed for the insurance company to pay. If the insurance carrier does NOT pay within this time, you will be responsible for the entire balance. You are responsible for the timely payment of your account.

Check-In: Please arrive for your appointment at least 15 minutes prior to your appointment time so that all paperwork may be completed before you are scheduled to see one of our medical providers. Please be prepared for co-pays, deductibles, and any past balances or fees for non-covered services prior to seeing your scheduled provider. Also, bring your current insurance card with you to EACH VISIT. Without the insurance card, we will be unable to file your insurance, and you will be responsible for the full amount of the charges accrued for the day. On follow-up visits, you will be asked to verify demographic and insurance information so that our records remain up-to-date. For your convenience, we accept all major credit cards in addition to cash and check.

Late arrivals: We do our best to keep to the schedule. When a patient arrives late, it is impossible to stay on schedule. If you arrive more than 15 minutes past your scheduled appointment time, we reserve the right to reschedule your appointment so that other patients are not inconvenienced.

Minors: The parent(s) or legal guardian(s) accompanying a minor are responsible for providing current insurance information for the minor and/or payment in full for services provided. Additionally, unaccompanied minors may only obtain treatment from Sterling Ridge Orthopaedics and Sports Medicine medical providers if a parent or legal guardian signs a release to this effect.

Medical Records/Images: Copies of your medical records/images (MRI, X-ray) are available to you upon request at a nominal administrative charge.

Returned Goods (Durable Medical Equipment) Policy: DME is considered a personal use product and once it leaves the office it is considered non-returnable. The two exceptions to this rule are 1) if there is a manufacturer's defect and 2) if the product was not used for surgery due to a physician's request, and should be returned in excellent, unused condition containing all original pieces. If there is a manufacturer defect, the product may be remedied by replacing the product. Your insurance company may not pay for certain services/products based on their determination of "reasonable and necessary" per your insurance company medical policies. If your insurance company determines that a particular service is not "reasonable and necessary" under your insurance company program standards, your insurance company will deny payment for that service. If you receive the service/product and this insurance non-payment occurs, you will be responsible for the amount due.

Consent to Treatment: Knowing that I have a condition requiring health care, I voluntarily authorize and consent to any and all medical treatments as may be deemed advisable by any and all Sterling Ridge Orthopaedics and Sports Medicine healthcare providers.
